1. When did you join HRC?

I joined HRC in the summer of 2014. I became a REV member in the Fall-Winter of 2014.

2. Which programs and activities do you participate most in?

When first joining the club I did some personal training sessions, and was a fitness member only. I joined REV from the recommendation of a friend and have been a member since.

3. What is your favorite thing about the club?

My favourite thing about the club is the support and encouragement you get from the trainers and other members. REV class feels like a family.

4. How has the club impacted your health and life?

Since the Better Body Challenge, my lifestyle has changed. Eating better and working out has become an everyday part of my life, where it was not before.
