Volume 6. Issue 6.

June 2015

> Member of the Month:

Joan Hageman

Joan and her family have been HRC members since July of 2012. Joan regularly participates in Group Kick, Group Active, Group Centergy and uses the fitness area when she's not in a group fitness class. Her favorite thing about the club are the staff members, from front desk to instructors. Joan loves how welcoming, personable and encouraging everyone is at HRC. Joan says the club has impacted her health in a very positive way and participating in the group fitness classes has become an important part of her weekly routine that she always looks forward to. HRC is thrilled to have you as a member and keep up the hard work Joan!

Summer
