1. When did you join HRC?

We joined the club 2 years ago.

2. Which programs and activities do you participate most in?

I love the fitness classes, they are all great but my favorite is the Zumba class. The guys play squash. I also tried squash but it's not for me.

3. What is your favorite thing about the club?

There are many things I love about the club but one thing that really stands out is how wonderful all the staff are. Everyone is so friendly and helpful. The instructors are awesome too. You couldn't have a better squash co-ordinator than Leah. She is fantastic.

4. How has the club impacted your health and life?

The club has kept me fit and because the classes are so great, I make a point of going as often as I can. The boys have a great time playing squash because they are all so competitive. It's really nice to see them having so much fun together.

> FUEL FOR LIFE

Hello September... Fall often brings the never ending cycle of unpleasant cold and flu symptoms (especially if your children are in school or daycare.) This said, I am **excited to be hosting a Wellness Workshop** along with a few other wellness advocates, **Cindy Micallef, Lyndsey Morgan and Cassidy Gaudet.** **Come out and see how you can improve your overall health and wellness.** **David Waters** will be **sharing his inspirational story of how he lost over 80 pounds** in just over a year and how he is still transforming the way he thinks about food. **RSVP here at Fuel for Life Juicery and or online on our facebook event page.** Don't forget to mark **Wednesday September 23rd at 7pm** on your calendar.

Also with September we will be busier so please **take advantage** of the option to **preorder your post recovery smoothie** so that you can just grab it and go after your work out! You can also **preorder lunches, dinners and protein bars.** (Some notice required for the protein bars and dinners)

Blend * Juice * Eat Clean
Cheers, **Gabrielle**
