Spring Fitness Schedule 2018

Schedule effective April 2nd – July 1st

	<p>Get your gloves on & punch & kick your way fit! This workout uses authentic boxing & kickboxing techniques & will take your fitness to the next level! You will learn how to punch & kick like the pro's in a SAFE & action packed workout! You'll never watch the clock in this class, you'll be having too much FUN!! Come punch & kick the calories away!!</p>
	<p>Are you waking up feeling stiff or sore all the time? Then this class is perfect for you. Tune Up is a 30 minute class that will address those tight or generally stiff areas throughout your body. Using a combination of foam rolling, lacrosse balls, bands and just your own body we will work to improve your mobility. Tune Up is also a great chance to ask the instructor for help with form and specific exercises that you may be having trouble with. You will leave this class feeling refreshed and maybe perhaps a little taller (if only). Check the schedule for Tune Up times and give it a try!</p>
	<p>TRX® Suspension Trainer™ exercises allows for the use of multiple planes of motion and works multiple muscles and joints simultaneously. Traditional weight training often only works one muscle at a time and the TRX forces you to use normal coordinated muscle effort, used to complete most everyday activities. Plus the TRX is fun and different and we promise you won't be bored.</p>
 50+ →	<p>Get on the ball! A non-conventional method of strengthening your muscles, this class utilizes stability balls and Pilates' techniques to create a total body strength training session. Work your core while having a ball and getting strong - it may be more challenging and fun than you anticipate!</p> <p>Everyone is welcome to this class but the coaching approach will focus on the needs of those over 50 years of age.</p>
	<p>Imagine pressing the PAUSE button at work and recharging, opening, releasing and tapping into the essence of who you are. This class offers a reprieve to check in with what really matters -- your Self. Your boss will love the bi-product of just who returns to the workplace following this class! Promotion, anyone?</p>
	<p>Hatha Yoga uses a combination of breathing, postures (asanas) and stretching to strengthen both the mind and the body. This practice helps increase flexibility, mobility and stamina. By encouraging proper alignment Hatha Yoga brings balance, mindfulness and a sense of calm.</p>
	<p>Yoga With Natasha is appropriate for people with little to no yoga experience. We will practice basic yoga postures, breathing and relaxation. This class brings balance, strength, and a sense of well-being to the participant, and allows you to develop awareness of basic yogic postures, breathing and meditation techniques. Postures stretch, align and help detoxify the body promoting balance, flexibility and concentration.</p>
	<p>This is truly a transformational class for people who are done feeling tired, disgruntled, limited, and that parts of their body have forsaken them. Ideal for anyone that wants to get better, stronger, faster, happier and more youthful in their bodies. Be prepared for vibrant, actual bona fide shifts and epiphanies in every single class. This may be the very class you have been waiting for, and didn't even realize it.</p>
	<p>Strengthen your core and build body strength through unique movements created by Joseph Pilates.</p>
